Dopo l'avvio si vede il seguente messaggio

	The virtual machine execution may run into an error condition as described below. We suggest that you take an appropriate action to avert the error.
	The shared folder 'Condivisa_SIA' could not be set up: Shared folder path 'C:\Users\RP\Desktop\Condivisa SIA' is not absolute.
	The shared folder setup will not be complete. It is recommended to power down the virtual machine and fix the shared folder settings while the machine is not running.
